Name: _____ USA Archery Level: _____

If Program has more than 5 instructors or coaches, please attach a separate page.

Please provide a brief history or mission of the club:

Please describe the facility or range where the club practices and how often the club meets. Please include what the club's storage solution for the targets will be.

Please list any additional sources of revenue during the last year (i.e. fundraising, community civic group donations, membership dues, individual contributions, etc.):

Please tell us what type of activities or accommodations the club provides to support the inclusion of all participations in the sport of archery (including archers with disabilities, economically challenged archers, minority, or otherwise underrepresented archers):

Please describe how the club is utilizing the [Athlete Development Model](#):

Please list the name and location of the 3D events the club and/or club membership has attended and/or plans to attend in 2023 and 2024

Please describe how your club is implementing 3D Archery into club activities? Please specify what 3D practice range your club currently utilizes, as applicable, and what 3D targets if any your club currently owns.

Please describe the club's plan to use this equipment to grow 3D archery in your local community and at the USAA club level (i.e. 3D practice range, host 3D events, etc.)?

Every question must be completed. If the application is incomplete, it will not be considered for review, if an item is not applicable, please type NA. Please TYPE the application. If you received this grant in 2022, you may apply, however, priority will be given to new applicants.

Please return application to clubs@usarchery.org by September 15th, 2023.
