

United States Archery Team (USAT) Selection Procedures For:

- U21 USAT
- U18 USAT
- 50+ USAT
- Barebow USAT

UPDATED: APRIL 2024

Purpose

These USAT Selection Procedures define the process to be selected to the U18, U21, 50+ and Barebow United States Archery Team (USAT).

USA Archery Membership and Other Requirements

To register for and participate in each United States Archery Team (USAT) Qualifying Event, to receive USAT ranking points, to be named to USAT and for the duration of USAT appointment athletes must have a current eligible USA Archery membership type and must register and compete in the gender of their sex assigned at birth. Exceptions to sex assigned at birth will only be made for members who have met the medical eligibility conditions set forth in the USA Archery [Transgender and Non-Binary Inclusion Policy](#), and who have been approved by USA Archery to compete as a Transgender athlete.

Eligibility Guidelines

1. USAT Ranking is provided for USA Archery membership in good standing who have a valid U.S. passport. If an archer does not have a valid U.S. passport, they must have resided in the USA for one year while they are allowed to achieve ranking points and after the end of that year, they need to obtain written permission of the Member Association, if any, of the country from which they have a valid passport to compete for USA. An archer who has changed their nationality, or acquired a new nationality, will need to notify World Archery of the change before they compete internationally representing USA and may not represent the National Team of USA until one year after such a change or acquisition.
 - a. **Foreign archers and archers actively competing internationally for other countries will not receive ranking points from any USAT Qualifying event, to include JOAD Target Nationals and the JOAD U.S. Open or the Target Nationals and the U.S. Open and will be removed from all USAT event final placement rankings at the conclusion of each USAT Qualifying Event and archers ranked below them in final placement will move up in placement accordingly.**
2. A current eligible USA Archery membership type is required to be named to USAT and for the duration of USAT appointment.
3. All members named to USAT must pass and retain a current green light USA Archery Background Screen and complete and retain a current U.S. Center for SafeSport training for the duration of their USAT appointment.
4. All members named to USAT will be required to sign a USA Archery Athlete Agreement by the required deadline. Failure to sign the Athlete Agreement will be deemed as declining their nomination to the team.
5. If an archer declines their initial nomination to USAT, the next ranked archer in the same gender and division who meets all eligibility requirements will be notified of their appointment to USAT if they meet all membership and eligibility requirements. This offer will not be extended to any archer other than the first alternate.
6. If an archer's USA Archery membership is suspended and/or terminated, or if an archer is suspended from the team, the archer's place on the team will not be replaced. Additionally, the archer's USAT benefits will not be passed on to another archer.

7. Para archers may earn ranking points toward Para and Senior and/or other age appropriate USAT ranking. However, to do so Para archers must compete in the Elimination Rounds for Senior, 50+, U21 or U18 at the USAT Qualifying Event and the qualification round for both the Para and the other USAT age class must be held on the same field, at the same time, under the same conditions. There is no guarantee these conditions will be met at all events, which may impact a Para archers' ability to make a non-Para team.

If an archer does not have a current Para national or international classification at the time of the event, they will not be permitted to register in a Para division. However, the archer can still acquire Para national ranking points within the same calendar year for the Para USAT Qualifying events they attended without a Para classification if they obtain a national or international Para classification prior to the end of the last Para USAT Qualifying Event of the same calendar year. If the archer is unable to obtain a national or international Para classification by the end of the final Para USAT Qualifying Event, the archer will not be eligible to receive Para national ranking points for that year. Eligible archers must contact events@usarchery.org upon obtaining a Para classification to request their Para National Ranking points be allocated. Failure to do so will result in Para National Ranking points not being allocated.

Age Criteria

- a. An archer will participate in the Senior Division beginning in the year of their 21st birthday.
- b. An archer may participate in the U21 Division through the calendar year of their 20th birthday.

USAT Team Announcements

Official USAT announcements will be made following the conclusion of all USAT Series events and international events, which contribute to Senior National Ranking international success bonus points, but no later than December 31st annually.

Policy for Missing a Required Event

In the unpreventable situation that an archer is not able to compete in a required event for USAT ranking in their respective age class and division, the Policy for Missing a Required Event outlines the process to request an exemption. The Policy for Missing a Required Event can be found at www.usarchery.org. If an archer receives an exception for missing a Required Event,

they will receive USAT ranking points per the criteria outlined in the Policy for Missing a Required Event.

Ranking Points

At each competition an archer can compete in one age class only. This applies to all age classes for which they are eligible. All eligible archers will receive ranking points in the age class and division for which they compete in at each USAT event. Archers must compete in the minimum required number of events to include the required event, to receive a “rank”. Eligible archers may earn a rank in more than one age class and division if all requirements are met.

A. Explanation of USAT Event Ranking Point Calculations for U18, U21, 50+ and Barebow

NOTE: USAT Ranking points will be removed at the end of each calendar year. All archers will start each calendar year with no USAT ranking points and no USAT Rank.

USAT Ranking Points Calculations

The average of the archer’s Qualification Round Ranking Points and the Elimination Round Ranking Points earned at each USAT Qualifying Event will determine the archer’s Total USAT Ranking Points.

1. Qualification Round Ranking Points:

Eligible archers will be ranked in order of their total Qualification Round score(s) at each USAT Qualifying Event, (Indoor Nationals, JOAD Target Nationals or Target Nationals final placement), which will determine their Qualification Round Placement. The archer’s Qualification Round Placement will equal their Qualification Round Ranking Points.

2. Elimination Round Ranking Points:

Eligible archers shooting Set-System/ matches (Recurve and Barebow) eliminated in the Quarter Finals round in 5th through 8th place will have their Elimination Round Placement determined according to WA rule 14.6.2

- a. Eligible archers shooting Set-System matches (Recurve and Barebow) eliminated in 1/8, 1/16, and 1/32 rounds of competition will have their Elimination Round Placement determined first, by total number of set points **from their last match**, if tied then by the archer’s placement in the Qualification Round (i.e. 72 Arrow Round or Double 72 Arrow Round, when applicable) at the same event. If there is a tie **in the Qualification Round Score**, the tie **in the Qualification Round Score**

will be broken by 10s, followed by X's. The archer's Elimination Round Placement will equal their Elimination Round Ranking Points. See example in table below:

Elimination Round Ranking Points	Name	Qualification Round(s) Score [Placement]	1/32 Elimination Round	1/16 Elimination Round	1/8 Elimination Round
9	Archer 1	1217 [9]	6	6	5 Set Pts (Event Qual Placement 9)
10	Archer 2	1215 [10]	6	6	5 Set Pts (Event Qual Placement 10)
11	Archer 3	1253 [4]	7	6	4 Set Pts (Event Qual Placement 4)
12	Archer 4	1208 [11]	6	6	4 Set Pts (Event Qual Placement 11)
13	Archer 5	1251 [5]	7	6	3 Set Pts
14	Archer 6	1189 [19]	7	6	2 Set Pts
15	Archer 7	1218 [5]	6	6	1 Set Pts
16	Archer 8	1197 [15]	6	6	0 Set Pts

Compound and Fixed Pins Elimination Round Ranking Points:

- b. Eligible archers shooting Cumulative point matches (Compound and Fixed Pins) eliminated in the Quarter Finals 5th through 8th, 1/8, 1/16 and 1/32 rounds of competition will have their Elimination Round Placement determined first by the total score of their last match. If there is a tie, the tie will be broken by 10s, followed by, by Xs. If there is still a tie, both archers will receive the same elimination round ranking points.

Compound and Fixed Pins Example:

Elimination Round Ranking Points	Name	Ranking Round Score [Placement]	1/32 Elimination Round	1/16 Elimination Round	1/8 Elimination Round	Quarter Finals
